Celina High School Alma Mater

WE SING TO THE SCHOOL OF THE GREEN AND THE WHITE,
THE SCHOOL WITH THE SPIRIT TRUE,
WE'LL EVER KEEP THY HONOR BRIGHT
AND PURE AS CRYSTAL DEW.

OF ALL WHO THROUGH THY HALLS HAVE PASSED,
WE'LL EVER MINDFUL BE,
AND WHILE LIFE'S FEEBLE FLAME SHALL LAST,
WE'LL TRUST THY LOYALTY.

WE ARE EVER BOUND TO CELINA HIGH,
BY BONDS SO TENDER AND DEAR,
UNABLE IS TIME TO SEVER THIS TIE,
AS ETERNITY DRAWS NEAR.

AS OUR ONWARD COURSE THROUGH LIFE WE TAKE,
WE'LL EVER HONOR THEE,
AND TO THY FAIR NAME WE'LL EVER TRUST
A GUIDING STAR TO BE.

CHORUS:

THEN RAISE YOUR JOYFUL VOICES HIGH, AND ALMA MATER SING,
THY NAME WE'LL EVER GLORIFY,
AS FRUITS FROM THY LABOR WE BRING.

FOREWORD

The 1968-1969 school year has been an exceptionally exciting one for the Senior Class. Scholastically this class has pushed down the crumbling walls of misunderstanding and has erected a statue of learning to be used as an example by ensuing classes. In sports, the Bulldog football team captured the Western Buckeye League Championship and in basketball our players represented our school by leading their season to a very honorable record. Colorful dances highlighted the year, and all of these events made '69 a year to be remembered.

Ken Klosterman . . . Vice-President
 Doug Spicer Treasurer
 Mr. Don Bowen . Senior Class Advisor
 Ann Sexton Secretary
 Terry Hoffman President

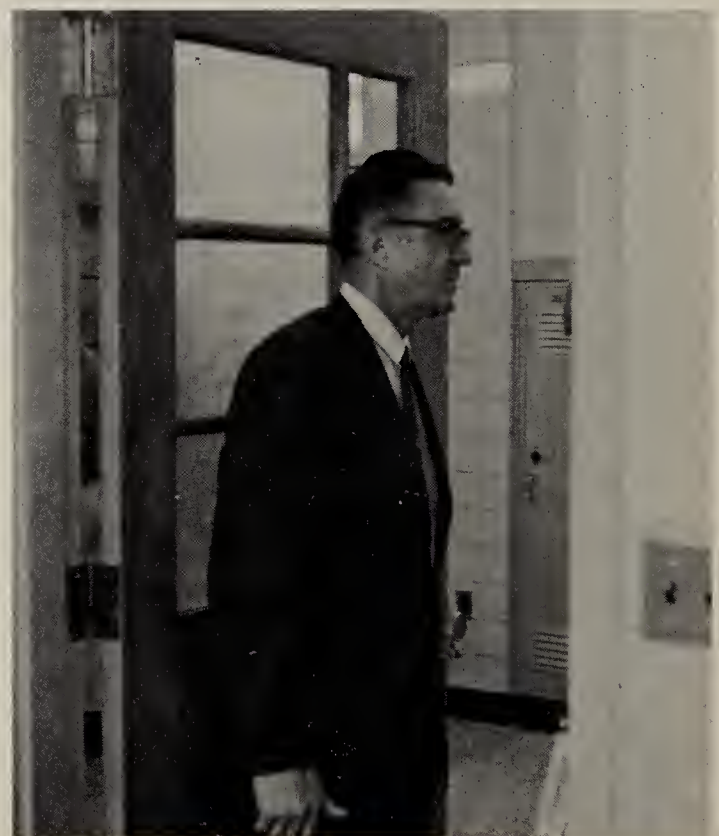

Class of '69

The Senior Class has been very active this year as it has led the student body in many clubs and extracurricular activities. Several of the Seniors have been busy taking College Entrance Examinations and applying for jobs after graduation. The Seniors have excelled on the stage, on the athletic field, and in the classroom where their leadership qualities have been displayed.

There were many decisions for the class to make this year; the most important being the choice of name cards, graduation announcements, Senior class pictures, and Senior keys.

Mr. Don Bowen, the dedicated advisor to the Senior Class, has diligently led his group of Seniors in making plans for the future. He not only managed the ordering of announcements and name cards, but also was responsible for having Senior photographs turned in on time and for advising the class in its effort to contribute its funds to the most needed sections in the school.

American Field Service

Nina West-Sadler is Celine Senior High School's American Field Service student. Nina has spent the entire school year at CSHS and resides with Mr. and Mrs. Herbert McClure who are Nina's "American parents".

Nina comes to us from England. She has been active in several organizations such as G.A.A., Pep Club, and Honorary Homecoming Queen Court. Nina is also a member of Varsity Choir. The student body is very happy to have had her for the 1968-1969 year. She has not only brought to us an understanding of her homeland, but has been an impressive and memorable addition to CSHS's high school activities.

UNDERCLASSMEN

Class of 1970

Mr. Richard Stetler Co-Advisor
Sue Hennessey Treasurer
Denny Howell Vice-President
Chuck Dilbone President
Peggy O'Brien Secretary
Mr. William Feth Co-Advisor

The Junior Class has had a busy year. Not only did they select their class rings, but they also worked diligently at basketball games so they could finance the Junior-Senior Prom and After-prom. Under the direction of their advisors, Mr. Wm. Feth and Mr. Richard Stetler, the Juniors surpassed all previous "high" sales records in their Junior Class candy sales

campaign. Both boys and girls excelled in scholastic events, and in sports, the Junior boys were a great part of the battle for the WBL Championship. The 1968-1969 year proved to be a most exciting one for this ambitious class; there is no doubt these coming Seniors will lead the school honorably.

Candy Sales begin!

What camera?

What big eyes you have!

I'll pretend I don't know it's a camera.

I think I forgot the number of boxes, again!

Posing with a big smile!

Juniors in Action

Can you locate the lost candy bar?

Are you sure Cecil mopped this floor?

At least I'll pretend to look busy and then when Mr. Feth leaves I can talk to her.

I never was good at drawing straight lines!!

Which tray did you say it was in?

I don't believe you'll really take a picture!!

Sophomores, no longer ill-at-ease as they had been in their Freshman year, became active participants in many school organizations such as Joy Teens, the various choruses, the intramural sports programs, Girls' Athletic Association, Home Economics, Future Farmers of America, and other groups which have profited

by the addition of these students.

Their sprouting sense of leadership and their feeling of maturity have further shaped their personalities. They have surely made a giant step toward becoming more responsible students and outstanding underclassmen.

Ouch! I hit my funny bone!

The Freshman Class, being newly introduced to high school life, began its four-year journey with some misgivings and with some doubts as to what would be required of it.

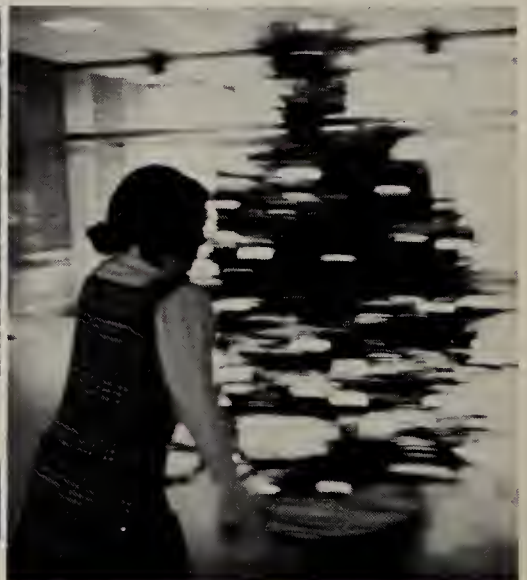

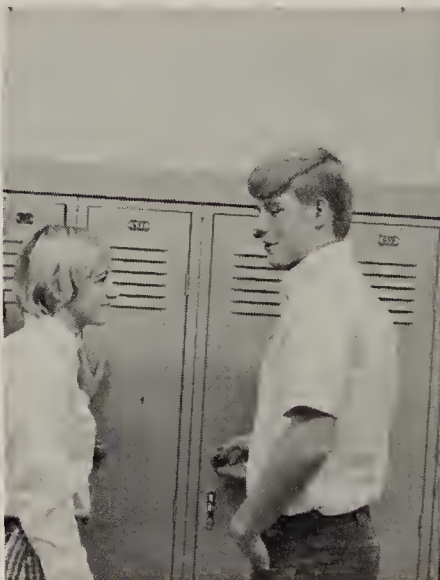

However, as the year progressed, the Freshmen began to feel a greater confidence in them-

selves. They independently stepped into various school activities and became increasingly aware of their several opportunities and responsibilities. Now our Freshman Class is full of promise and hope for their future high school days in Celina Senior High.

Freshman freedom to the hallways!!! I'll bet you've stacked my locker!!!

I don't like this picture! Take another one!

ADMINISTRATION

Mr. Ray Mills has proved his worth as an educator and as an administrator in his first year at Celina Senior High School. Mr. Mills, the possessor of a B.S. degree from Wilmington College and an M.A. from Miami University, has other special qualifications for his position; one of these is a year of graduate study in Curriculum Development and in School Business Management at Ohio University.

His experience includes that of a teacher, a principal, a curriculum director, a director of pupil personnel services, and an assistant superintendent. Also, for eight years he was superintendent of the Mount Gilead Exempted Village Schools.

Moreover, he is a member of the Board of Directors of the Ohio Association of School Administrators, and a winner of state and national awards for his contributions to education. Since 1967, he has been listed in "Who's Who in American Education."

He has indeed brought to Celina Senior High School ideas of worth and of merit.

Leadership is the core to the fulfillment of a school's educational plan. Its healthy functioning depends strongly upon the administration's wise judgment. We are fortunate to have able-minded leaders whose farsightedness reaches beyond the "call of duty" and grasps the answers to the many problems which arise during a scholastic year.

Our administration shows unity and continuity and places great faith in its community and its student body. In its goals to provide the surrounding community with educated young individuals, the administration has certainly fulfilled its major purpose—to teach the student how to apply his academic knowledge in economic, political, and social life.

Mr. Robert Brandon has long since demonstrated his dedication to the cause of education, and his devotion to the needs of the Celina Senior High School. His is the position in which many problems must be met, and Mr. Brandon meets these problems with understanding and competence. Mr. Brandon was graduated from Manchester College with a B.S. degree, and from Indiana University with a Master of Science degree. He has acted as teacher and as coach, and has the essential background of preparation for the principalship of our school.

We owe more than we can say to Mr. Brandon's efforts.

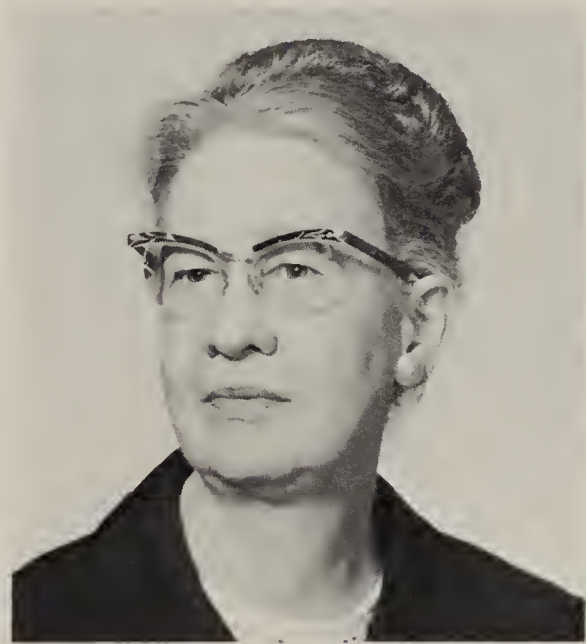

School Board and Officials

Standing: Mr. Wilson Warrick, Dr. Louis Finkelmeier. Seated: Mr. Robert Harbage, Mr. Don Purdy, Mr. Russell Laffin.

Mr. Harry Byers is the Celina Public School System's Director of Secondary Education. He was graduated from Muskingum College with a B.A. Degree in Education and from Ohio State University with a Master of Education Degree. Mr. Byers has taught in the elementary school system and has held the position of Elementary Principal and School Executive Head. His dedication to his work is to be highly complimented.

Miss Erma Evans holds the position of clerk of the Celina School Board. She has served in this position with efficiency and dependability. Her dedication to her work has made her one of the school's most vital and highly respected assistants.

Mrs. Eileen Koch is a graduate of Bowling Green State University and has a Bachelor of Science Degree in Education. She has attended the University of Cincinnati and is one of the guidance counselors for the Celina Senior High School. It is her responsibility to help administer college tests, and to offer advice and counsel to in-coming students and to the entire student body. Mrs. Koch, in addition to these responsibilities, serves as guide, philosopher, and friend to all with whom she comes in contact.

Mr. Ron Mendenhall is the other guidance counselor in the Celina Senior High curriculum. He was graduated from Ohio Northern University with a degree of Bachelor of Science in Education. He has also attended Ball State University. He administers college examinations, advises the members of the student body, and assists Juniors and Seniors in planning their college careers. Mr. Mendenhall's understanding and courtesy are greatly admired and appreciated by the Celina Senior's faculty and by the student body.

Mrs. Iris White was graduated from Denison University with a B.A. degree and is also a graduate of Dickinson Secretarial School. She is the epitome of the perfect secretary, and is admired by all who have occasion to present problems and questions to her.

The school's other secretary is Mrs. Ruth Pond, who is well-trained and highly experienced in work involving office detail. We appreciate her careful handling of the duties entrusted to her.

There are three very dedicated groups within the school system who devote themselves to bettering the school and, in fact, are vital to the school's functioning. The cooks faithfully prepare delectable and balanced meals and occasionally serve at special banquets throughout the year.

The bus drivers keep the "wheels" of education moving by transporting students to and from their classrooms. They hold a tremendous responsibility in that

often they must drive on wet, slippery roads or through heavy fog and snow drifts.

The custodians strive to keep the school in a pleasant atmosphere by performing such tasks as waxing floors, dusting and cleaning the classrooms and the library, and replacing faulty equipment.

These groups deserve our recognition and thanks for their efficiency in fulfilling their positions.

One of the busiest groups working within the school system is the office staff who attend to the detailed work in the office and save the administration from being bogged down by formalities.

Another organization is the Diversified Cooperative Training Program (known as DCT) whose goal is to provide an actual program of education combined with on-the-job training for situations and community participation that will arise later in life.

The Future Business Leaders of America is an association whose major function is to strengthen the confidence of young men and women entering the business world. The organization establishes competent and aggressive business leadership.

To participate in FBLA an individual must earn two business course credits and go through the initiation procedures.

The club supports itself by managing the "Doghouse", a concession stand furnishing food for the football spectators.

Each year a banquet is sponsored for the club's senior members and also an initiation night is planned for future members.

The Future Teachers of America, related to state and national programs, for the furtherance of the teaching vocation, is represented at CSHS by the Lizzie Snyder McKim Chapter, first scheduled on April 1, 1951.

Members of this organization must have a 2.5 average or better. In a spring session, members observe and teach classes on elementary and junior high levels.

This year the FTA group has brought about several innovations: the revision of the former constitution, the establishment of an awareness of new teaching situations, the opening of a plan for student tutoring, and the organization of new initiation procedures. It also awards a scholarship on a competitive basis.

The FHA (Future Homemakers of America) is a vocational association whose guiding motto is "Toward New Horizons." The Future Homemakers is founded upon the purpose of promoting an understanding of how to live; later in family life, the organization's training will, hopefully, assist the club member.

The Homemakers held their annual dress show just before the Christmas vacation and modeled the out-

fits they had completed during the year. Among the many other duties of the club, it is also their responsibility to decorate the showcases and display ideas for good dressing habits and for hints in proper etiquette. One of the more notable displays this year was the FHA's project in comparing the progress of the club with that over the past few years.

The Girls' Athletic Association aims toward the promotion of good sportsmanship and physical fitness.

Membership requires that a girl must earn a total of 200 points by participating in various sports activities.

High point accumulations are awarded by pins, gold bars, letters, and numerals. The highest point total member of the Senior class is given a special award of a plaque or a trophy.

During the year the organization holds inter-scholastic and intramural sports in volleyball, basketball, track, bowling, and softball.

Money-making projects include the concession stand during the homegames of football and the annual Twirp Dance where the girl asks the boy to the dance. The money goes for sponsorship of Mom and Dad's Night for football, basketball, and also for purchasing of new sports equipment.

Candids Can Do

A case of trophies well-earned.

Okay, Dana, but we said just "over the goal post."

Parent's night.

Quiet-we're picking up a radio frequency.

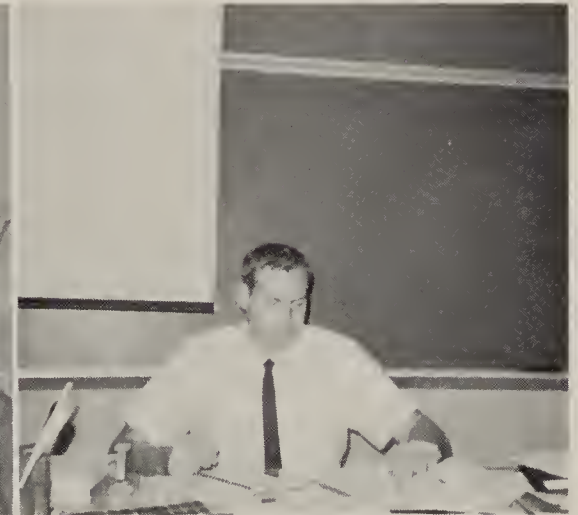

Boy, if this isn't leading a dog's life!

It's impolite to point (but when in Rome, do as the Romans do).

I dare you to jump!

I can't possibly put this on a curve--no curve ever went THIS low.

I get the worms!

I know it's a cake, but is it just for looks? When can we eat it?

Pep Club

I'm sure glad I used my Ban this morning!!

Striking a pose.

An unusual line-up!

Goofing off under the pom-poms!

Enthusiasm! Yeah Bulldogs!

School support--it's fun!

The Pep Club, now in its third year, is highly successful in building morale and school spirit among the student body. This club is open to all students.

This year their activities led to the formation of a Mini-Dog squad which was exceedingly successful in creating more school spirit and in boosting team morale.

The club also established a uniform dress code for its members, and decorated the halls with signs of support before every game.

This club is an example of what an organization can do. It grew from a "fun" objective into a strong supportive group and has represented our school honorably.

Performance of Minidogs--a new squad of spirit!

Planning! Rehearsing! Revising!

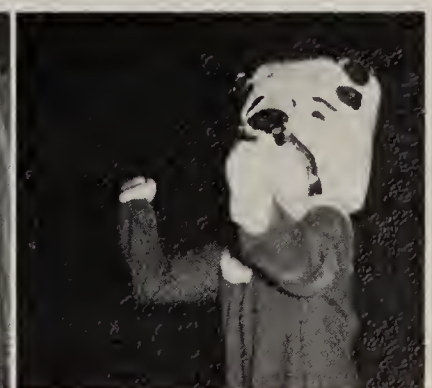

Dog-gone-it! What enthusiasm!

Practice makes perfect.

An eager Mini-Dog.

Mascot leads excited crowd.

Senior High Student Council

1st Row: J. Otis, M. Ayers, M. Linn, K. Warrick, N. West-Sadler, G. Smalley, D. VanderHorst, M. Crown; Advisor, Mr. Ron Mendenhall.

The CSHS Student Council is a governing body of the school whose responsibility is to relate student opinions and suggestions. The council has many activities but the most important are to promote school spirit, to convey student ideas, to promote better relations between faculty and student body, to stimulate interest in purposeful student activities, and to encourage honorable behavior among the students so as to maintain the good reputation of our school.

In the 1969 school year the Student Council spon-

sored two dances: the Homecoming and the Sweet-heart Dances.

The council also supports the American Field Service student, Nina West-Sadler.

This year's council took upon itself the responsibility to establish a new dress code, to revise the constitution, and to call a special "student-council-faculty" relations assembly where the student body could freely question the council and bring up special topics for discussion.

The Library assistants are those people who work in the library to help other students with research and resource findings. Each person works two periods a week in the library and thus becomes acquainted with the duties and responsibilities of librarians. During the year these assistants help regulate book fair handling, read and reorganize books, check books in and out, repair worn resources, and record incoming mail.

Whom does this love letter belong to? And what's it doing in here?

All right—now you can try to decipher it!

A book worm!

Oh no, did I spell that word wrong?

The Tatler Staff is an in-school organization established to prepare and to publish the school newspaper. The staff attempts to promote better readership standards and also tries to relate the activities of the school to the community members. The Tatler is prepared by the high school journalism classes and is published gratis, courtesy of Celina's Daily Standard.

This year the staff has especially tried to offer its readers interesting features, photographs, and editorials. The classes also published their annual "Reflexions" which is a small publication presenting to the student body the poems, articles, editorials, short stories, etc., that students have prepared in school or outside their classrooms.

The Twentieth Century Romans is one of the oldest clubs in the high school. Its purpose is to organize a system by which the club members can further study the ancient Roman civilization. This is achieved by presenting Latin plays, singing Latin songs, putting on Roman fashion shoes, and giving special lectures or demonstrations explaining the classical Roman cultures and traditions.

The club initiates its new members by holding a "slave auction" in which the senior club members purchase the initiates and make them perform a number of unusual services throughout the initiation night and the following day at school.

In May the TCR holds its annual banquet at which the Latin I students are responsible for serving their masters, and everyone is clothed in the ancient Roman fashions. Usually the menus and the entertainment closely resemble those of the true Roman banquets.

The National Thespian Society is composed of several troupes organized in all the states, in the District of Columbia, several Canadian provinces, and in a number of foreign countries. The society is organized to raise the standards of the dramatic arts in the school. The club aims to create an active and intelligent interest in all types of theatre activities.

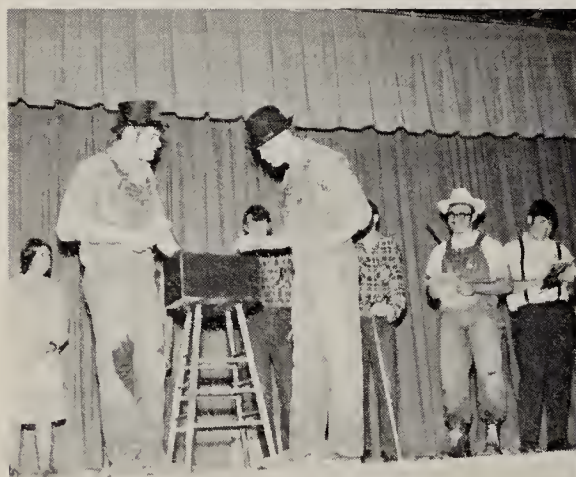

Celina is the Thespian Troupe Number 473 which

was first formed in 1941. Membership is based on a system of points accumulated through work in school drama.

The troupe takes charge of all make-up in all school productions. This year the group presented "The Lottery," a play written by Shirley Jackson, and also held its spring banquet at which new members were initiated.

These two choirs, under the direction of C. Dennis Ransbottom, are an active part of the vocal music department. Madrigal is a select group of 28 boys and girls who have an added talent for sight reading, voice projection, blending quality, and an interest in singing original 17th and 18th century musical works.

Varsity Choir is a seventy-eight member group which, when combined with Madrigal, forms the Concert Choir.

Both groups require tryouts for membership.

These choruses are very flexible in that they present a variety of music for the Christmas, Easter, Spring Pops Concert, and several outside community performances.

Both choirs prepared work for district choir competition this year.

The vocal department has made great strides this year. Two of its recently formed choruses have gone to district and to state competition and have received superior ratings; most choirs rarely receive ratings such as these until they have been active for several years.

The Men's Chorale, also called Boys' Glee Club, was organized last year. Girls' Glee Club, established on a paralled with the boys' glee, was established this year. Membership of these choirs is based upon the student's reliability, voice quality, and agreeable character.

The music department, under direction of C. Dennis Ransbottom (vocal), should be very proud to have these two talented groups, for they have not only strengthened the music department's status in group and ensemble competition at state, but they have been beneficial in building school spirit for musical ventures and for stimulating community support.

The Junior Varsity Basketball Squad has shown its ability and its good sportsmanship during the 1968-1969 school year. These young men have worked many hours to perfect their several court patterns and plays and have shown their determination in breaking old standing records and in representing our athletic department honorably.

The boys are to be congratulated for one of the finest records ever to be achieved in a basketball season.

They ended their season with a very outstanding record: with fourteen wins and with only three losses.

Those games particularly exciting to the crowds of basketball fans were the battles against the Kenton Wildcats, the Coldwater Cavaliers, the Shawnee Indians, and the St. Marys Roughriders.

Coach Jerry Smith has ably led a team which truly deserves praise from all of us.

Reserve and Freshman Cheerleaders

K. Kalal, L. Smalley, M. Huser, L. Bobenmoyer, B. Smith, D. Hellwarth.

School spirit is the backbone of a winning team, and our cheerleaders have certainly put forth their greatest efforts to build school spirit to its present peak.

Each cheerleading squad promoted spirit by painting signs, scheduling pep rallies, and placing encouraging victory posters all over the school's walls and corridors before each game.

The cheerleaders realized spirit was not represented entirely in sports and this year the squads combined to support the music contest groups, both of which were rewarded with superior ratings.

The cheerleaders are to be congratulated for their loyalty and dedication to their school. They have all represented Celina Senior High School honorably.

J. Russell, J. Plummer, M. Ayers, D. Fleck, S. Moore, G. Smalley.

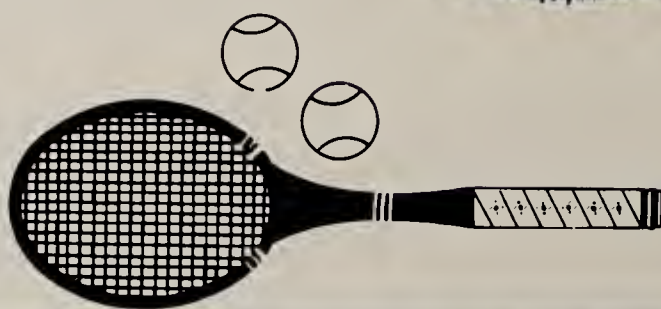

Golf and Tennis Teams

Front Row: Coach Gary Whitaker, P. Curry, L. Kessler, B. Barger, D. Howell, J. Green, D. White. Back Row: R. Winkeljohn, B. Wellman, T. Lammers, D. Dean, M. Purdy, D. Morr.

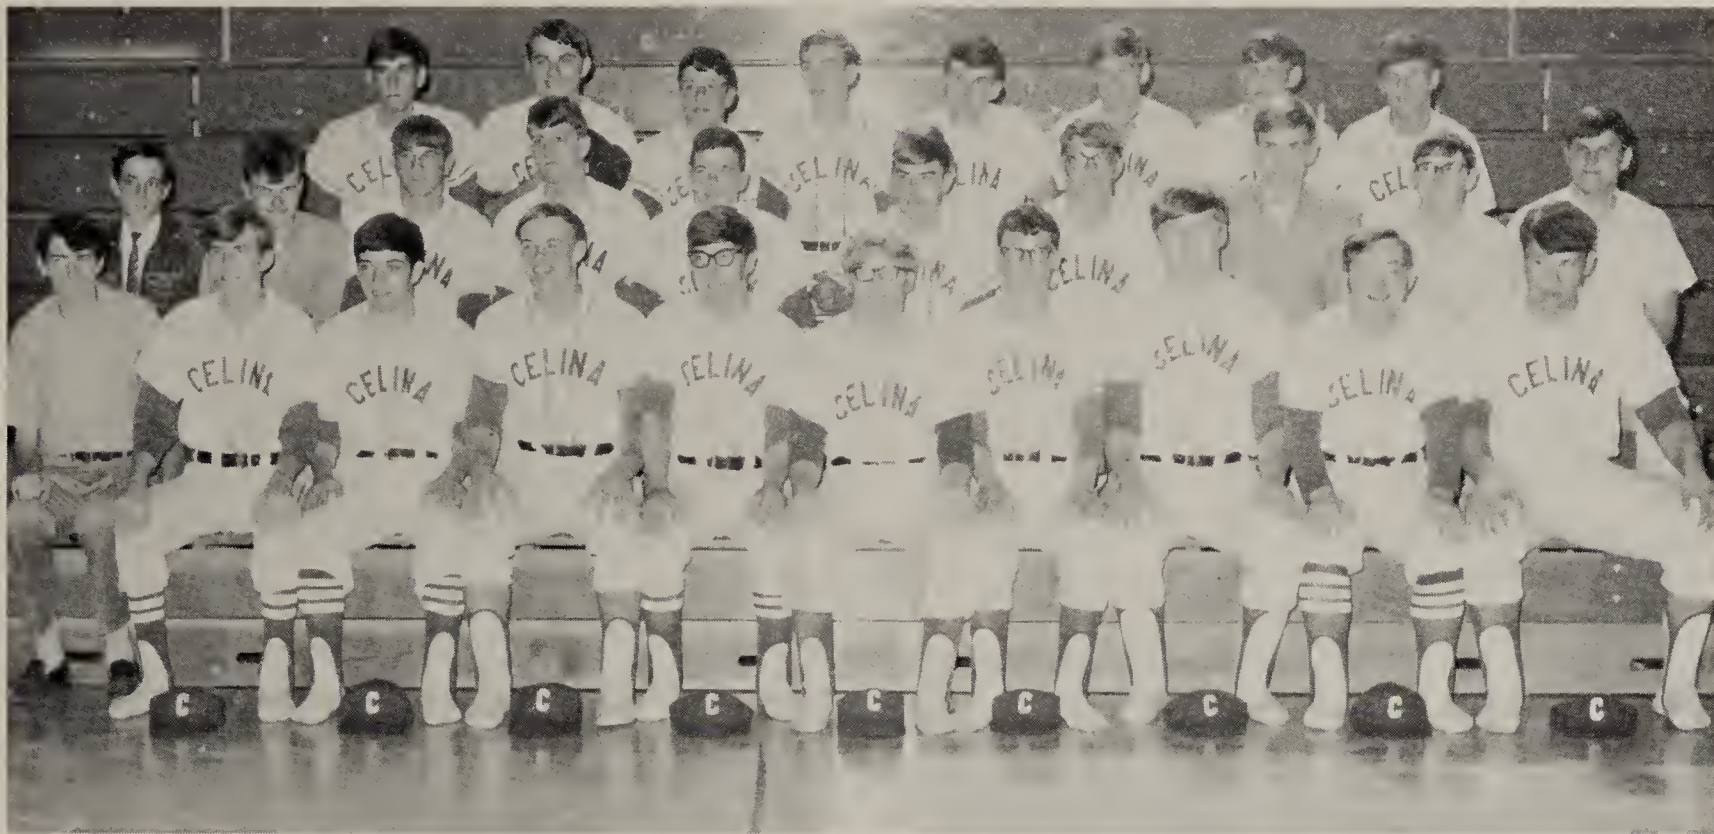

The golf and tennis teams are fairly new additions to the athletic department, yet they have shown the interest and the enthusiasm of well-established groups. They have represented the school in their games with honor and respect and have taken top awards in these sport events.

The student body has become more aware of the part these two teams play in the spring season. We hope that golf and tennis continue to advance in such importance.

Front Row: R. Amstutz, K. Ward, D. Spicer, T. Hoffman, R. Koch, D. Pierce, J. Essex, R. Grimm. Back Row: Coach Jerry Smith, M. Loughridge, T. Piper, R. Ayers, M. Pierce, A. McClure, B. Hull.

Hockey Club

Top Row: J. Spicer, R. Winkeljohn, F. Underwood. Row 2: B. Granger, C. Felver, T. Fisher, D. Keister, C. Snyder, D. Kennard. Bottom Row: Dan Golden.

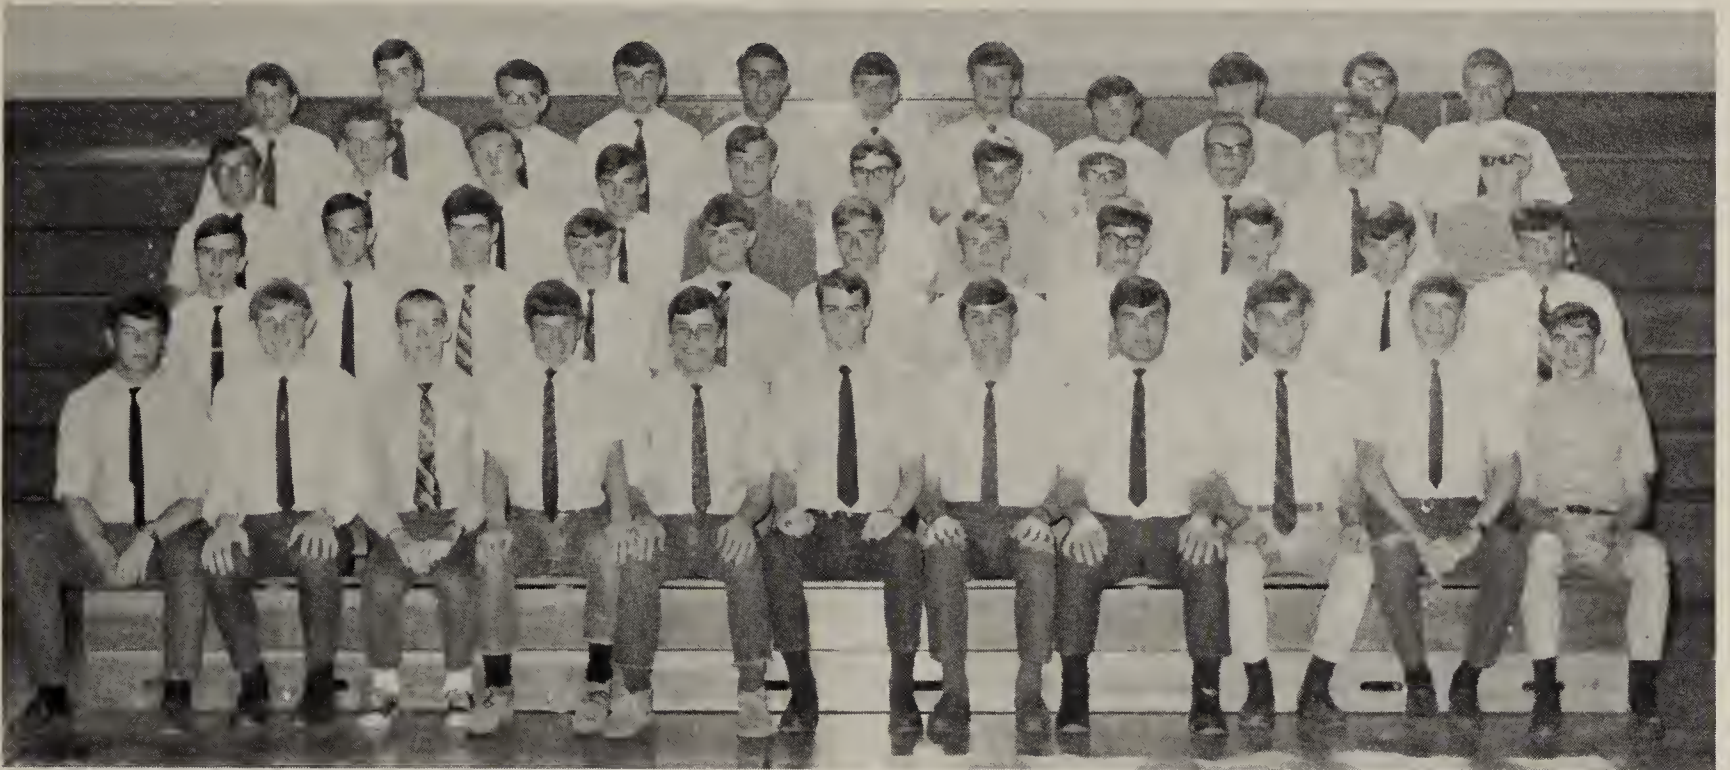

The Celina Senior High School has a new addition to its list of sporting events. This year is the first for an organized hockey club. The team and the student body have shown such a great interest in this game that it is certain that it will serve as a continuing sport for boys from CSHS.

Though there were not a great number of games scheduled for this year, one notable victory was the defeat of Lima Shawnee, whose club is noted for its ability in this sport.

Hockey is a swift-moving sport demanding both skill and agility, and its addition to our activities schedule is a beneficial one.

During pre-game ceremonies, Miss Janifer Payne was crowned the 1968-1969 Homecoming Queen. The evening was very cold, but the team was hot on its trail to win the WBL Championship. The Coldwater Cavaliers fell to defeat in an exciting, hard-fought battle which ended in a Bulldog victory of 23-20. The festivity and football victory were highlighted Saturday evening, October 26, at the annual Homecoming Dance where Queen Jan reigned over the dance events.

The Celina Senior High School's National Honor Society, formed in 1941, is an organization composed of only those most outstanding Seniors and Juniors who have been chosen for four main qualities: their scholarly achievements, their able leadership ability, their service to the community and to the school, and their strong guiding characters.

Students inducted into this society are required to have at least a cumulative 3.00 point average or above, and are also required to maintain this point average and to live up to the standards for which they were

chosen.

The tapping ceremony is held at the National Honor Society assembly—each inductee is named, asked to stand, recognized, and then escorted to the stage by a Senior member.

The society holds an annual tea presented in the high school cafeteria. The Senior members prepare the party program and the Juniors serve the refreshments.

The society is one of the main influences on the school's activities and its members are to be congratulated for their fine contribution to the school and the community.

The Fellowship of Christian Athletes is an active organization established in 1967 for Celina Senior High School boys. The group is composed of athletes who have dedicated their time to encourage and to develop a wholesome, competitive attitude in the sports world and to establish a Christian atmosphere among athletes so that they may teach others the value of faith in God

not only in sports but for the day when these same young men will go into the world on their own.

This organization is to be highly commended for its fine contribution to sport activities. It is quite possible that this club may have very well spurred the victory of 10-0 needed to win the WBL Championship.

THE FCA HUDDLE: President, Doug Myers; Vice-President, Steve Smalley; Treasurer, Dan Lampert; Secretary, Rick Howell.

The FCA held its first Spring Rally to which it invited all of the surrounding schools. Many schools brought their choruses and small pep clubs or cheering groups. The rally was a success and helped to bind the different schools in friendship, faith, and understanding.

The Dayton Youth Forum

The Celina Senior High School was honored this year in having as its guests the select members of the Dayton Youth Forum. The youth forum is supported by two well-known and established organizations: the Dayton Daily News and the University of Dayton.

The two Senior panelists who represented Celina Senior High were Susan Gun-you and Terry Hoffman.

The discussion topic was centered around sex education in the schools, and the student body participated by asking questions and opinions of the youth forum panelists.

The forty-five minute program was accented by lively debate and discussion and seemed to be most enlightening to the audience. At the conclusion of the program, the hope was expressed that the Dayton Youth Forum would return next year.

The Anilec Staff is a self-supporting organization whose major function is to publish the yearbook. The staff sacrifices itself to meeting publishing deadlines and all kinds of situations concerning photograph selection, lay-out preparation, copy simulation, and page analysis and arrangement.

The yearbook aims to please the administration, the faculty, and the student body by offering the best possible selections of the activities and dance events throughout the school year.

This year the advisor, Mrs. Louise C. Halsey, and the editor-in-chief, Susan Reed, have added several special features to the book: the color page spread of the Western Buckeye League Champions, the increased number of candid pages, the parallelism of copy organization for the average reader, and the special autograph pages at the book's conclusion.

It is the hope of this staff that this Anilec will preserve the school's memorable activities and will represent the school honorably.

Afterword

It is hoped that these pages will have enlightened the reader concerning the 1968-1969 school events. It is also to be hoped that this book will evoke memories worthy of cherishing.

We wish to extend special thanks to Mr. Don Leitzell of Leitzell's Studio and to Mr. William Haffey of Townhouse Studio for their cooperation in assembling photographs of the student body. Special thanks is extended to Stan Moothart for taking afterprom pictures. Further thanks go to Mrs. Louise C. Halsey, the yearbook advisor for the past four years, whose determination and understanding helped the yearbook through its many problems, and to Mr. Don Bowen, Senior Class advisor, for his fine assistance with organization of Senior pictures and sayings.

One correction should be inserted at this point--the Anilec wishes to show the difference between the terms "operetta" (production with $\frac{3}{4}$ music and $\frac{1}{4}$ dialogue) and "musical" (production with $\frac{1}{2}$ music and $\frac{1}{2}$ dialogue). Due to a publishing deadline for Senior write-ups, the staff was unable to correct the term "operetta" which has traditionally been used incorrectly. This year's presentation, *THE UNSINKABLE MOLLY BROWN*, was a musical, not an operetta.

In closing this book we know something of regret and something of satisfaction in that we leave these halls of learning and enter the world on our own.

Respectfully yours,
Editor-in-Chief,
Susan E. Reed

Words of Wisdom for Tomorrow

THE ROAD NOT TAKEN

—Robert Frost

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I--
I took the one less traveled by,
And that has made all the difference.
